***GUEST LECTURE REPORT***

***On***

***“Demolition Waste: Recycle and Reuse”***

---

***Resource Person:***

***Mr. Shubham Powar & Mr. Swaraj Shinde***

***[Senior Students, Degree CE]***

***Academic Year: 2025-26***

***Month: [July 2025]***

***1. Title of the Lecture:***

Demolition Waste: Recycle and Reuse

---

***2. Resource Person:***

Mr. Shubham Powar & Mr. Swaraj Shinde

---

***3. Designation & Organization:***

Senior Students from degree

---

***4. Date of Lecture:***

10/07/2025

---

***5. Mode of Lecture:***

Offline

---

***6. Target Audience:***

Second Year CE Students

---

***7. Number of Participants:***

12

---

***8. Objective of the Guest Lecture:***

The objective of the guest lecture is to make diploma civil engineering students aware of sustainable methods for managing demolition waste, highlight techniques for recycling and reusing materials, and promote environmentally responsible practices in construction.

---

### ***9. Summary of the Session:***

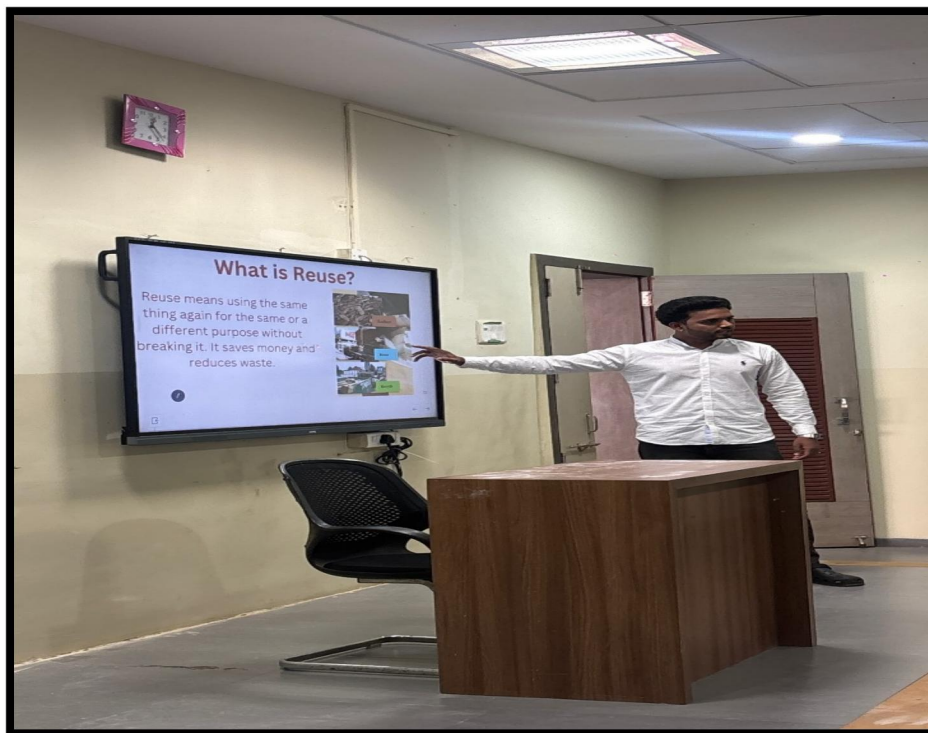

- ✓ What is demolition waste?
  - ✓ What are examples of demolition?
  - ✓ What are the three types of demolition?
