About Speaker:

Mr. Ashok Jondhale

Assistant RTO Officer

(Amba Region)

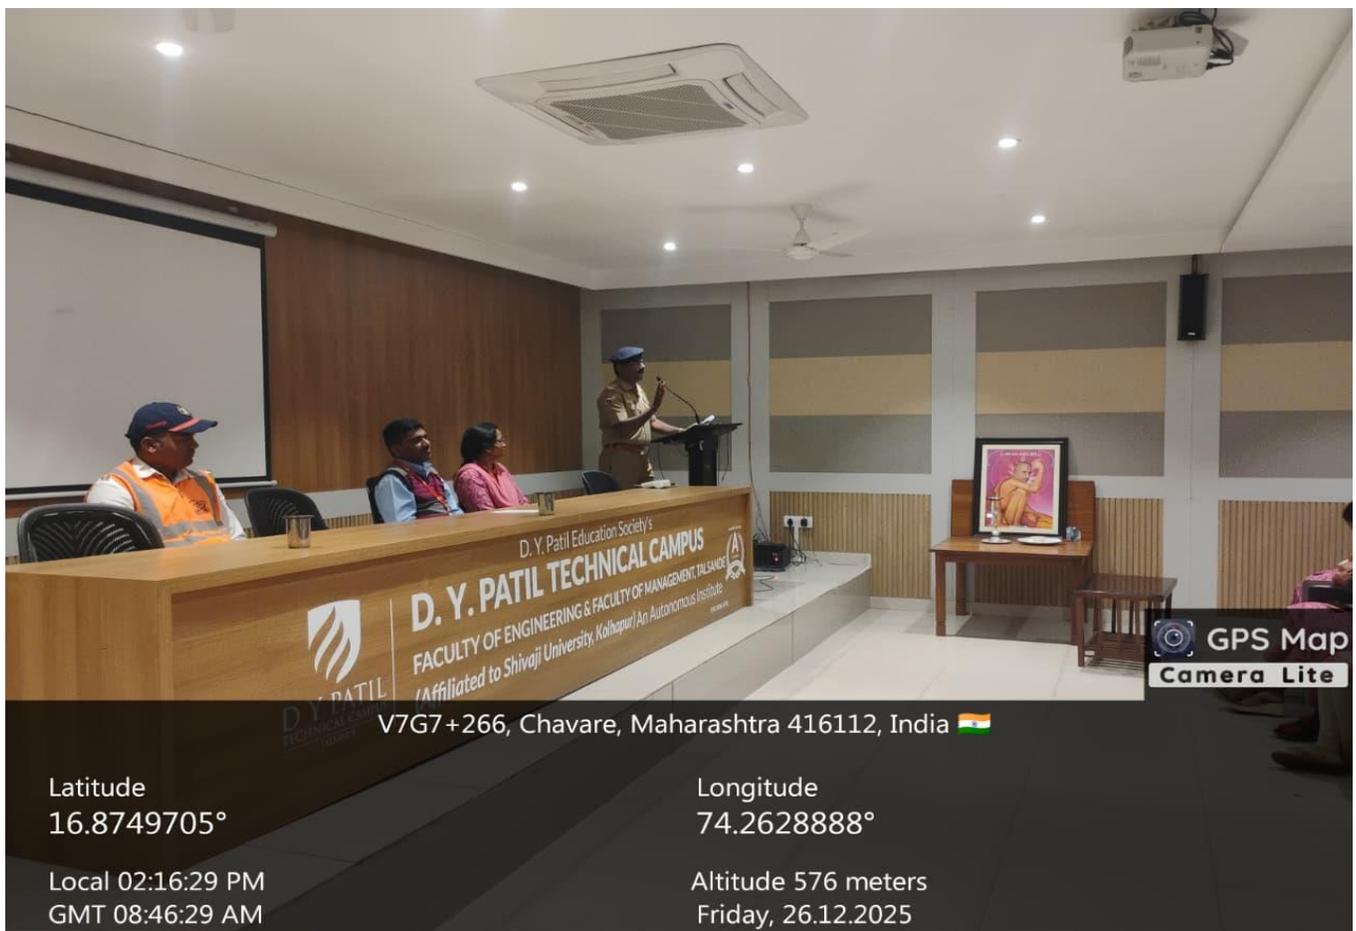

A dedicated Regional Transport Office (RTO) Officer plays an important role in maintaining road safety and enforcing traffic rules. The officer works in the Amba region to ensure that all motorists follow traffic regulations, possess valid driving licenses, and maintain proper vehicle documentation.

Our Institute had organized a Special Speech on “**Traffic Rules and Regulations**” by on **Mr. Ashok Jondhale Friday, 26th Dec 2025**. The event was scheduled at 11:10 am on Seminar Hall, D. Y. Patil Technical Campus Building, Talasande, Kolhapur.

Almost all students from first year Teaching staff of all department of our college D. Y. Patil technical campus (Polytechnic Wing), Talasande attended this event.

The officer discussed common causes of road accidents such as over-speeding, rash driving, using mobile phones while driving, and violation of traffic regulations. He shared real-life examples to make students aware of the serious consequences of negligence on the road. The session also included information about recent traffic laws, penalties, and fines for breaking traffic rules.

The lecture proved to be highly informative and beneficial for the students. It enhanced their understanding of traffic rules and highlighted the importance of following them to prevent accidents and save lives. The program concluded with a vote of thanks, expressing gratitude to Assistant RTO Officer Mr. Ashok Jondhale for his enlightening session.
