Computer Dept. had organized An Industrial visit to "IGap TechnologiesPvt. Ltd." on 03rd Dec. 2022. Ninety students and four faculties visited to IGap Technologies to interact with the software industry to understand current market scenarios, latest most demanding technologies & criteria for selection etc. In this visit students were very eagerly waiting for listening to industrial authorities.

In the Morning at 11:00 AM visited to IGap Technologies. We divided our students in the batch of 20 students per batch for the visit and interaction with the industry person. The Technical head of IGap Technologies conducted very informative session for the students. Also he motivated to the students to select their domain and area of interest. He also guided the students to select the area like web development, mobile application development and software testing etc. and its importance in the current software market. They also guided on different technologies which is their working technology. Finally he gave a brief introduction of IGap Technologies and other IT Companies of Kolhapur to the students.

Students gave good and positive feedback about the Industrial Visit.
