---

Computer Dept. had organized An Industrial visit to “Biyani Technologies” on 19th Nov. 2022. Thirty Four students and two faculties visited to Biyani Technologies to interact with the software industry to understand current market scenarios, latest most demanding technologies & criteria for selection etc. In this visit students were very eagerly waiting for listening to industrial authorities.

In the noon at 12:00 PM visited to Biyani Technologies. We divided our students in the batch of 12 students per batch for the visit and interaction with the industry person. The Technical head of Biyani Technologies conducted very informative session for the students. Also she motivated to the students to select their domain and area of interest. She also guided the students to select the area like web development, mobile application development and software testing etc. and its importance in the current software market. They also guided on different technologies which is their working technology. Finally she gave a brief introduction of Biyani Technologies and other IT Companies of Kolhapur to the students.

Students gave good and positive feedback about the Industrial Visit.
