

3.4.1. Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development and their impact.

D. Y. Patil Technical Campus, Faculty of Engineering and Faculty of Management, Talsande firmly believes in holistic development centered around quality education. It aims at sensitizing students towards social issues and serving the community as a whole. College organizes extension activities in the neighbourhood community that sensitizes students towards community issues, gender disparities, social inequity, etc., and inculcate social values and commitment to society. The Institution is committed to serve the community through its extension activities conducted by NSS, and departments by involving students and faculties. This has resulted in creating strong relationships with the local community, local administration, schools, neighbourhood organizations and non-profit organizations.

National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports that aims to develop the personality of student volunteers through community services and to make them sensitive and responsible human beings who are aware of the social and economic realities of India. NSS helps the students to develop a concern on the health, environment, improving life of rural people through community service. The activities like traffic management, health, environment protection, blood donation etc. are carried out to shape every volunteer to be a responsible citizen about social issue.

Every child to get chance to eat a nutritious meal: Under this NSS volunteers visited orphanage Balkalyan Sankul, Kolhapur and donated essential goods such as wheat, jawar, rice; pulses etc.

Institute organizes camp under NSS cell in Parkhandale, Aitawade and Nandwal villages which are having numerous development issues regarding school, medical services road etc. In addition, NSS volunteers visited flood affected areas to help the villagers.

Institute organizes social activities through NSS viz. blood donation camp, health check-up camp, HB checking camp, gender related awareness programs, gram swachata abhiyan, tree plantation, interaction with school students, competitions for school students to motivate them towards education and holistic development, book exhibition, Gram well cleaning, fencing for solar pump, disaster management program, garbage removal activity, AIDS awareness prachar pheri, workshops for women's under Mahila Sabalakaran e.g- jam-jelly making workshop, pickle formation workshop etc.

NSS cell organizes Motivational and useful guest lecturers for students and peoples in village during camp on the topic "Shivcharitra and Jijau", "Need of Study Circle", "Need of Youth Participation in Villages", "Save girls", "Lek Vachva Lek Shikava".

During lockdown NSS volunteers planted trees at their native places on the occasion of World Environment Day. Along with above activities, NSS cell plays very important role during covid-19 pandemic. NSS volunteers distributed free mask and sanitizer. Contribution of students in such events helps them to built leadership quality and encouraging the students to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community:
