## IQAC Activity in Collaboration with RIT, Islampur

### Expert lecture on "Entrepreneurship Skills"

The expert lecture on "*Entrepreneurship Skills*" was organized by D Y Patil Technical Campus students in association with RIT, Islampur under the IQAC Collaboration activity. The talk was given by Mr. Harshal Patil, an expert from RIT College.

He introduced the different aspects of entrepreneurship and emphasized that zeal and great idea are the only ingredients in a recipe for business startup. He mentioned that the reason that people do not start their new ventures in a country like India is due to non-awareness amongst the population of India and decides to go for jobs in private or government sectors so as to minimize the risk. Therefore, he emphasized to raise the basic awareness of entrepreneurial concepts and to enable students to identify and learn how to make a mind-set to take up entrepreneurship as a challenging career.
