(b) Counseling-

Equally important is counseling for women. Many female students face unique challenges, including pressure to perform academically, societal expectations, and personal struggles. Accessible counseling services provide a safe space for women to discuss their issues and receive support. Trained professionals can offer guidance on mental health, personal development, and coping strategies, helping women overcome barriers to success.

- Class and Proctorial Committees are available for counseling of both males and females' students.
- Grievance Redressal Committees for staff and students
- Women's rights
- Human rights
- Child rights
- Gender justice
- Gender equality

Date :- 16/02/2024

Academic Year :- 2023-24

Sem :-Even

Subject :- Guest Lecture on topic “ Need organ donation and its importance”

(c) Common Rooms-

- Providing common rooms for women is another key initiative. These spaces allow women to gather, relax, and network in a safe and supportive environment. These rooms can also act as platforms for discussing issues relevant to women, promoting solidarity and empowerment.

(d) Other Measures-

Other measures of Gender Sensitization include –

- Curriculum and Coursework.
- Co-curricular activities

Other Initiatives-

Additional initiatives ensure active participation of students in co-curricular activities including sports as it is a compulsory core course in all UG programmers and also at intra-faculty, inter-faculty and inter-university levels.

Agricultural Operations

Encourage students to work together in regular field work in DTC agricultural farms under faculty supervision.

Community outreach

The Life-Long Learning Education (LLLE) programme provides opportunity to women from all walks of life to get trained in entrepreneurship and self-employable skills. As part of NSS activities, free multi-specialty medical camps are organized fortnightly in neighboring villages, which help transform rural women in building awareness about health, hygiene, importance of child education and provide a launching pad to induct them into vocational skilling.
