“Corporate Training Workshop for First-Year Students”

Date of Workshop: April 16 – April 17, 2025

Location: Conference Hall 2, D. Y. Patil Technical Campus, Talsande

Time: 09:30 AM - 03:30 PM

Organized by: First Year Engineering Department

Target Audience: First-Year Students

Highlights :

The Corporate Training Workshop, held on April 16–17, 2025, by the First Year Engineering Department. It was a highly impactful two-day event aimed at equipping first-year students with essential professional and corporate skills. With over 250 students participating, the workshop focused on three core objectives: introducing students to corporate culture, developing key soft skills, and guiding them in career path exploration.

Key sessions were conducted by **Mr. Gaurav Chaudhari**, a seasoned technical trainer and software developer, who led engaging discussions and practical activities on:

- **Corporate Culture and Professional Etiquette**
- **Soft Skills for Career Success**
- **Mock Interviews and Career Guidance**

Conclusion

The Corporate Training Workshop successfully met its objectives of providing first-year students with essential skills and insights needed to navigate the professional world. By focusing on corporate culture, soft skills, and interview preparation, the workshop ensured that students were better equipped for the challenges they may face in their careers. The First Year Engg Department plans to host more such workshops in the future to continue supporting students' professional growth.
