

Guest Lecture on “Cyber Security”

Date: 05.09.2024

Location: Seminar Hall

Organizer: D. Y. Patil Technical Campus, Talsande

Highlights:

A **Cyber Security awareness session** was organized to educate participants on cyber threats, safe online practices, and cyber hygiene. The session was conducted by **Mr. Mohammadali**, Cyber Security Expert from **Quick Heal Foundation**.

Agenda:

- **Keynote Speech** on the current cyber threat landscape
- **Workshops** on phishing awareness and password management
- **Q&A Session** for interactive discussion and clarifications

Key Outcomes:

- Improved understanding of cyber threats and safety practices
- Greater awareness of personal responsibility in cyber security
- Practical strategies shared to recognize phishing and manage passwords securely

The session successfully encouraged a culture of cyber awareness and vigilance among attendees.

Conclusion

The Cyber Security session achieved its goals of raising awareness and providing practical tools for participants. It fostered an environment of learning and engagement, emphasizing the importance of cyber security in today's digital landscape.
