“Technical Session: Senior-Junior Interaction”

Date: 18th March, 2025

Time: 11: 00 am to 01:00

Venue: Seminar Hall

Organized by: CSI committee

Target Audience: 1st year students of CSE and DS

A **Senior-Junior Interaction** session was organized by the **CSI Committee** with the approval of **Dr. S. R. Pawaskar**, Director of D. Y. Patil Technical Campus, Talsande, for first-year **CSE and DS students**. The event aimed to promote communication, mentorship, and knowledge sharing between senior and junior students. The session was chaired by **Dr. Deepali A. Nikam**, with contributions from **Mr. Deep Patil**, **Mr. Varad Vesnaker**, and **Mr. Arhant Minchekar**.

Key Highlights:

- **Knowledge Sharing:** Seniors shared insights on technical skills, industry trends, and career challenges.
- **Mentorship & Guidance:** Seniors stressed the importance of mentorship and encouraged juniors to seek support.
- **Soft Skills Focus:** Discussions included leadership, communication, and problem-solving as key career drivers.
- **Interactive Q&A:** Juniors actively engaged in the session, asking about career paths and workplace readiness.
- **Relationship Building:** The event bridged gaps, promoted openness, and laid the foundation for future collaboration.

Conclusion

The "Senior-Junior Interaction" technical session was a successful initiative that promoted open communication, shared learning, and collaboration within the organization. It served as an excellent opportunity for junior members to gain valuable insights from seniors and for both groups to connect more deeply. The event helped in reinforcing the importance of mentorship and continuous professional development, setting a foundation for future interactions and growth opportunities.
