# About Our College

D. Y. Patil Education Society's, D. Y. Patil Technical Campus, Talsande is a perfect combination of study for UG engineering and PG management. This campus is spread over 205 acres of pollution free and calm environment with a total built-up area of 2 lakh sq ft. It provides facilities of education and research in various professional programs at UG & PG levels in Engineering and Management under one roof. All government scholarships are available with special concession in fees to students scoring more than 75% in 12th board exams. Separate hostel facility for girls & boys is also available. Other facilities include, sports complex, library, canteen & bus transport.

## Vision

To become leading Technical Campus in providing high quality technical and management education equipped with professional ethics and values to serve the society.

## Mission

- To produce skilled technical and managerial work force with high ethical values.
- To promote use of latest teaching aids to excel in academics and research.
- To install lifelong learning and respect for the environment.
