

Orientation Program of First Year Engineering Students

The Orientation Program for the First Year Engineering students of the academic year 2025-26 was successfully conducted at D Y Patil Technical Campus, Talsande on 8th September 2025. The program aimed to welcome the new entrants, introduce them to the institute's vision, mission, academic culture, and facilities, as well as to motivate them for their upcoming journey in engineering education.

The program began with a welcome address, followed by the lighting of the lamp by Director Dr. S. R. Pawaskar Sir, Dean Academics Prof. R. S. Powar Sir and Heads of Departments. The students are guided by sharing insights about the engineering profession, academic expectations, discipline, and opportunities for overall development. Special sessions were arranged to introduce students to academic rules, examination patterns, training and placement opportunities, extracurricular and co-curricular activities.

Parents were also invited to attend the program and were briefed about the institution's support system for student welfare and growth. The event concluded with an interactive session where students' queries were addressed, and a vote of thanks was proposed by Mr. R. M. Satpute Sir.
